YOUR EXPERIENCE AND WHY CHAUFFEURNZ.COM

ChauffeurNZ.com is the only dedicated personal chauffeur service in New Zealand with local professional suited chauffeurs as your guide. Read our testimonials from our website for proof.

On this transfer, you will begin by experiencing a scenic drive to the towns from Christchurch city South through the central South Island and the most incredible scenery in the world. Farms consisting of milking cows and beef cattle, and millions of white woolly sheep, part of the 37.5 million in New Zealand. Green open paddocks and farms for as the eye can see, and the best thing is very few people.

First stop at the Famous Fairlie Bakery.

[Salmon and Bacon pie, pork with crackling, butter chicken, vegetarian sandwiches, tea and coffee](#)

Lake Tekapo

Our journey takes in farming townships and locale towns with small shops and cafes. Lake Tekapo with crystal clear waters, walk down to the water's edge, view the clear blue skies and fresh air. Snow capped Mountains that merge with the water edge.

Lake Pukaki lookout to Mount Cook

Stopping at the top of lake Pukaki with Aoraki Mount Cook in the distance. Try the local fresh salmon farm shop in the middle of nowhere.

Salmon farm and Omarama township

Onwards to Omarama township a local crossroads to the east or south to Queenstown. Known for its "Plan gliding" using the updraft of the mountain to stay in the air.

Cromwell Town

From Omarama to make the final journey over the Lindis pass the highest part of the road to Cromwell town the fruit centre of the South Island. Stopping at Mrs Jones fresh fruit stall for yummy free samples and fresh fruit, real fruit ice cream, honey and sweet. Cromwell town is only 1 hour away from Queenstown so sit back and relax take in the incredible scenery of the Kawarau Gorge and the Roaring Meg power station.

Queenstown

Once we arrive in Queenstown, we will drive you to your chosen accommodation, assist you with your luggage and say thank you for a great day's journey of one of the most beautiful places on earth.
